OLMC PARRAMATTA
PROMOTES THE IMPORTANCE
OF BEES IN SOCIETY

Stewardship Leaders and members of the ecoOLMC group sell crumpets with honey to raise awareness of the importance of bees in society.

This initiative has run for several years and is a popular fundraiser. Money raised goes towards a charity of choice as decided by the students. In the past this has been to provide plants for our very own B&B Highway, and this year will be sent on to support animal and insect conservation.

Left: Audrey Moses and Emily Orszulak are Stewardship Leaders

Above: Amelia Johnston, Amy Loof and Lizzy Butler are members of the ecoOLMC Cocurricular group.
